In this video, we will explore the Texas College and Career Readiness Profile Planning Guide website.

The main navigation menu is located at the top. Click on a menu item to access that area of the website. Click on links to access more information or to download documents that you can save or print out.

You can navigate to different sections of the Planning Guide using either the dropdown menu or the arrows to move backward or forward. You can also download the Interactive Profile Planning Guide from the homepage.

To watch a video, click the play button. You can also pause, adjust volume, and expand to full screen view.

Under the PD menu, you will find the Texas Higher Education Coordinating Board (THECB) Professional Development Modules. Click on the "First-Time Users" link if you have never registered on the Texas Higher Education Coordinating Board website. Complete the registration and click Submit.

If you have previously registered on the website, click the "Returning Users" link and then click "continue" to access the content.

For additional information or assistance, select "Contacts" from the main menu. Contact information is provided for the Texas College and Career Readiness Support Center, as well as your local Education Service Center.
